Explanation of Responses:

1. The Performance Stock Units ("PSUs") are subject to a three-year performance period of 1/1/2017 through 12/31/2019, subject to earlier expiration upon a change in control of the issuer ("Performance Period"). Subject generally to the reporting person's continued service with the issuer, each PSU represents a contingent right for such person to receive, within 30 days after the end of the Performance Period, a distribution of common shares of the issuer equal to 0% to 200% of the reported target number of PSUs. The actual number of shares distributed will be based on the issuer's total stockholder return (TSR) performance during the Performance Period. Vesting for 50% of the target PSUs is based upon the issuer's absolute TSR for the Performance Period as compared to a matrix of fixed numeric values and the vesting for the other 50% of the target PSUs is based upon a relative comparison of the issuer's TSR to the Vanguard Russell 2000 exchange traded fund TSR for such period.

Remarks:

/s/ Ryan Goodwin
